## Middlesbrough Foodbank

Our friends at Middlesbrough Foodbank are running very low on provisions and desperately need our support. Please, if you're able bring contributions to the foodbank to church with you this week. The box for contributions will be in the foyer every week so it would be great if you could get into the habit of bringing something every time you come.

We're happy to receive contributions on other days/times by arrangement. Peter Jackson can collect from homes if folk phone him on (01287 637882) as he is usually in the village on a Sunday and Wednesday and at Foodbank on a Monday.

**Tinned Potatoes, Rice pudding, custard, tinned fruit, tinned carrots, dried rice and fruit juice (not squash) are just some of the things you could bring.**

Donations can be dropped off at the Co Op stores in Great Ayton and Stokesley. Cash as an alternative by cheque or bank transfer also allows them to buy as they run short..

Please support this cause if you can, there is still a great many people on Teesside who need help.

## Big questions

Jesus leaves the crowds after a full day of teaching to get some rest. Jesus sleeps in the boat while the boat becomes engulfed in a storm. Because of the location of the Sea of Galilee, storms occur quickly and violently. The disciples are astonished that he is not alert to the circumstances and their fear. When they eventually wake him, he calms the storm and questions their lack of trust in God.

Perhaps the biggest faith question there is the one that the disciples ask of Jesus when he is asleep: 'do you not care that we are perishing?' Our big questions may be different, but it is important to feel heard as we wrestle with challenges of life in general and in following Jesus.

*This week we explore being heard in the storms of our lives.*

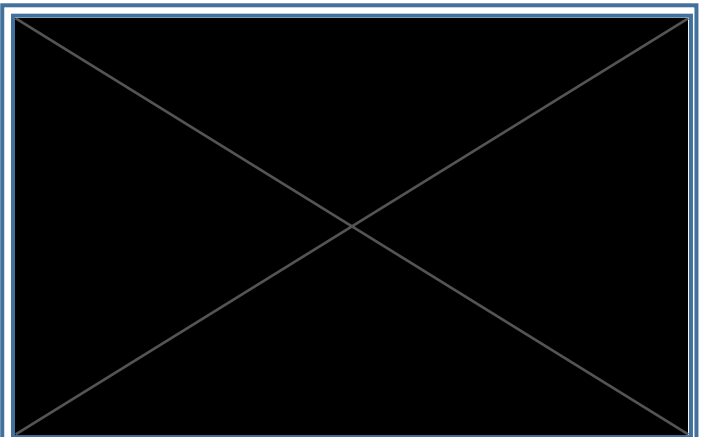

Leadership team have agreed the next steps in the process of getting the church back to something nearer normal. We still don't know whether restrictions will be eased completely later in the summer or whether some restrictions might still remain but we're really pleased to make some changes starting **this Sunday!**

- **All the chairs are back in church** so that the church looks like it used to.
- **You won't need to book your place!** There are more seats and groups of up to six people or two households can sit together. Although we will still have to space out a bit by using every other row.
- We'll still have to complete track and trace details and you'll still need a face covering unless you're exempt. There is still no singing allowed but we hope that it won't be too long before this changes.
- **We'll be serving tea coffee and biscuits outside on the lawn and patio after the service.** This will give people the much-needed opportunity to catch up and socialise.

As we make these first steps to getting church back to something more like we were used to we'd love to see you back in church. We're a church family and need to spend time together- something that we've all missed - so please come back if you feel able.

Coffee will be served after the service at around 11.20 am. If you don't feel ready to come into church yet, you're very welcome to join us outside for coffee and, of course, you can still join the service on YouTube. **A prayer of blessing**  
May you be a blessing  
to every life you touch,  
and the Spirit within,  
that life-giving water,  
be a gift of refreshment  
in love shown and shared  
with all who are thirsty  
along the road you travel.  
Amen
